

**Name** : Muhammad Aryo Thursandi

**Nationality** : Indonesian

**Email** : thursandi@gmail.com

### **Key Qualifications Summary**

A reliable and growth-minded software professional with over 5 years of experience designing and delivering integration and backend solutions. I specialize in building systems that are maintainable, scalable, and aligned with business needs — whether it's through APIs, automation, or cross-platform orchestration. I thrive in collaborative environments and take pride in delivering clean, reliable, and well-documented solutions.

### **Education**

- Bachelor's Degree in Information Systems at **Politeknik STMI** with a GPA of 3.33

### **Professionals Experience**

#### **1. PT Indocyber Global Technology Jakarta, Indonesia (AIA Client)**

**Duration:** July 2022 – Now
